Subject: Request for Proposal for the Child Sexual Abuse Treatment Program

The Governor's Office of Emergency Services (OES) is pleased to announce releasing the Request for Proposal (RFP) for the Child Sexual Abuse Treatment (CSAT) Program on December 3, 2007. The purpose of the CSAT Program RFP is to fund **four** child sexual abuse treatment projects to provide comprehensive treatment services to child victims of sexual abuse and/or sexual exploitation.

The first grant period will begin July 1, 2008 and end June 30, 2009. The approximate amount of funds available for the CSAT Program for Fiscal Year (FY) 2008 is anticipated to be \$256,500. Applicants selected will continue to receive funding on a yearly basis via a re application process. *Please note: continuation funding is contingent on the availability of the State Victim/Witness Assistance Funds, successful project performance, and compliance with the grant award agreement.*

We anticipate a copy of the RFP will be made available on December 3, 2007 and may be obtained from our website: www.oes.ca.gov, Law Enforcement & Victim Services Division (mid-page, right-hand side); RFP Funding Information; Child Sexual Abuse Treatment Program Request for Proposal. However, a hard copy of the CSAT Program RFP may be requested by sending three self-addressed, self-adhesive mailing labels to: Helen Alexander, Governor's Office of Emergency Services, Children's Section, 3650 Schriever Avenue, Mather, CA 95655.
